I'm just gonna reminisce about ML and say goodbye dun mind me

crowwind27

I'll always miss the days of ML, joking around with Monny and Scarlet Claws (SKITTLEZ) and annoying poor Symphy (Chippy was such a bully to the poor clumsy owl), despite my excessive cringe and inactivity.

I actually have a doc of a bunch of Chipmunk's quotes she said in ML. I'll have to try to record more ML quotes and conversations before they're erased forever...

I have kinda missed Chippy and Reilly too, I loved calling nicknames and being annoying, even if Chipmunk kinda went a bit too far sometimes... a lot of the time.

Yeah, sorry about that :'D

I also kinda just want to thank anyone who ever replyed to my threads or acknowledged me. I always get so stressed about creating threads and writing replies and you have no idea how much difference one reply, one word, makes.

Special thanks to all of you for existing. I appreciate you more than you'll ever know
